

## LCA fx110 GENTLE CLEANSER

**SIZE:** 180ml & pH 4.4      **SRP:**

**WHAT?** Light balm/creamy-textured daily cleanser. Smart enough for many skin types.

**WHEN?** A.M. (use once) & P.M. (use twice –1st cleanse removes ‘the day’ 2nd cleanse cleans YOUR SKIN).

**HOW?** Take 1-2 pumps in palm of hand, mix gently with small amount of water, press and massage into face/neck/décolleté. Massage to the skin and remove with a warm, clean face cloth and water. Pat dry. A gentle tingling sensation may be felt, this is normal.

**WHO?** Most skin types and conditions, very adaptive and multifunctional. For concerns with congestion, normal skins, skin irritations. Also great as a make-up remover.

### ACTIVE INGREDIENTS

Key Features	Benefits
13% LCA Complex (12% lactic, 1% Vit A,C,E, ProVit A)	Gentle cleanse & exfoliation without compromising skin barrier. Hydrates & moisturizes. 4 Vitamin skin essential antioxidants
Anti-Irritant Complex	Soothes, anti-irritant, anti-inflammatory, calms the skin

**Selling Tip!** The ultimate smart, adaptive cleanser for skin. Great to exfoliate, yet hydrate the surface of the skin. Additionally, fabulous anti-irritation benefits make this one of the most versatile cleansers available.

**Ingredients:** Water (Aqua), Sodium Lactate, Stearyl Alcohol, Lactic Acid, Glycerin, Sucrose Cocoate, Cetyl Alcohol, Glyceryl Stearate, Allantoin Glycyrrhetic Acid, Ammonium Laureth Sulfate, Ascorbyl Palmitate, Bisabolol, Butylene Glycol, Caprylic/Capric Triglyceride, Citrus Grandis (Grapefruit) Fruit Extract, Disodium EDTA, Ethylhexylglycerin, Phospholipids, Portulaca Oleracea Extract, Retinyl Palmitate, Salicylic Acid, Tocopherol, Xanthan Gum, Phenoxyethanol, Sorbic Acid, Beta-Carotene (CI 75130).

## LCA fx160 2xFOLIANT PEEL + SCRUB

**SIZE:** 200ml & pH 3.8

**SRP:**

**SIZE:** 120ml & pH 3.8

**SRP:**

**WHAT?** The true adaptive product: skin exfoliant + peel, face + body. For all skins, your perfect skin treatment that shows real results.

**WHEN?** Use 1-2 times per week, depending on your skin and needs. Use with a little water or cleanser for the face and apply on the body dry before stepping into the shower. Rinse off well and dry skin. If using as a pre-shave, use a very small amount to lift hair from the follicles and rinse off well before shaving.

**HOW?** Let the product do the job. Do not use force with the exfoliant. Leave on the surface of the skin once applied for a few minutes to allow the AHA to do the chemical exfoliation, then, when you activate the mechanical particles, just use delicate, light pressure to simply move the dead skin cells from the surface of the skin. Rinse well and remove with face cloth, pat skin dry.

**WHO?** All skin types except highly sensitive or open skin. Those that suffer with dry skin conditions, keratosis pilaris, ingrown hairs, dry feet, hands, face & body. Each of us need to ensure we have suitable exfoliation as a key to a healthy skin routine – both face AND body.

### ACTIVE INGREDIENTS

Key Features	Benefits
16% LCA Complex (15% lactic, 1% Vit A,C,E, ProVit A)	High strength 15% lactic acid to exfoliate and renew the skin Boosts the hyaluronic response in the skin volumizes, hydrates skin. Excellent chemical peel results 4 Vitamin skin essential antioxidants
Physical Exfoliation Synthetic Wax Beads	Biodegradable, spherical beads polish the surface of the skin without harming the environment or scratching the skin
Anti-Irritant Complex	Soothes, anti-irritant, anti-inflammatory, calms the skin

**Selling Tip!** Fabulous face and body exfoliant for pre-tanning, manicures, pedicures and also assists in peel protocols. Perfect for ingrown hair conditions too, pre-shave or wax. Hydrates the skin, not dehydrates. Makes all your skincare products perform even better giving the perfect canvas for skin.

**Ingredients:** Water/Aqua/Eau, Sodium Laureth Sulfate, Lactic Acid, Synthetic Wax, Cetyl Alcohol, Glyceryl Stearate SE, Sodium Hydroxide, Sucrose Polysoyate, Magnesium Aluminum Silicate, C12-15 Alkyl Benzoate, Ascorbyl Palmitate, Caprylic/Capric Triglyceride, Citrus Grandis (Grapefruit) Fruit Extract, Disodium EDTA, Ethylhexylglycerin, Phospholipids, Retinyl Palmitate, Salicylic Acid, Tocopherol, Tocopheryl Acetate, Xanthan Gum, Phenoxyethanol, Sorbic Acid, Beta-Carotene (CI 75130).

## LCA SMART PEEL PADS

**SIZE:** 33.5ml – 30 pads in a jar & pH 3.45      **SRP:**

**WHAT?** High-strength, multi-layer, AHA resurfacing peel pad that works hard to remove only the outermost layer of dead skin cells of your complexion revealing brighter and fresher improved skin. Will allow better absorption of further skincare products allowing your products to work even 'smarter and harder'. Removes dirt, debris, dead skin cells and build-up on the surface.

**WHEN?** On cleansed skin, start with using one pad once a week, moving to a couple of times per week when acclimatized. Preferably in the evening due to daylight and sun exposure.

**HOW?** After cleansing, on dry skin. Gently wipe a pad over the entire face, neck, décolleté or area to be treated. Do not apply over eyes or lips. A mild tingling sensation will be experienced and is normal. Leave product on the skin and blot the skin dry - do not remove. Always apply corrective or hydrating product afterwards to improve the feeling of comfort.

**WHO?** All skin types. Congested skins, all age groups. Those with concerns of fine lines and wrinkles, dull, polluted, tired skins, pigmentation, breakouts and acne. Those needing to balance their complexion.

### ACTIVE INGREDIENTS

Key Features	Benefits

**WHEN?** A.M & P.M. – as a corrector can be used both day or night or both.

**HOW?** Apply 1-2 pumps of cream into palm of hands and massage over face, neck and décolleté. Use this as a **corrector**. You can hydrate over the top or simply apply your sunscreen, truly adaptive to your ideal customized skin plan. If using DNA Recovery Serum or Gel Perfector, apply these below Illumination Treatment.

**WHO?** For skins that have irregular pigmentation, age or sun spots. Also excellent for marks and discoloration on the skin left from acne or irritations. Helps to brighten and illuminate dull skin and gives a radiant complexion, perfect to be worn under Minerals for a luminous effect as it also contains mica as a light reflective instant skin boost. A hydrating corrector offering illumination – totally adaptive.

### ACTIVE INGREDIENTS

Key Features	Benefits
TTC – TRIPLE TURMERIC COMPLEX	3 different colorless turmeric actives, PLUS Green Tea, Grapeseed & Licorice in one 'all-natural' potent, POWERHOUSE ingredient.
Argan Oil (Argania Spinosa Kernel Oil)	A golden, smooth oil. Has a rich blend of essential fatty acids, antioxidants and the all-important skin nutrient; vitamin E.
Licorice Root Extract (Glycyrrhiza Glabra Root Extract)	Antioxidant with skin lightening properties perfect for evening pigment and illuminating affect. Also has fabulous anti-inflammatory effects on the skin so excellent for sensitive-related pigmentation issues.
Mica (mineral)	Acts as a pearlescent pigment and gives outstanding illumination to the skin.

**Selling Tip!** A hydrating corrector! Some will use this as a 2-in-1 corrector and hydrator. Mix with your minerals for a beautiful skin illumination product and apply with foundation brush. Gorgeous, dewy skin!

**Ingredients:** Water/Aqua/Eau, Helianthus Annuus (Sunflower) Seed Oil, Glycerin, Argania Spinosa Kernel Oil, Beeswax/Cera Alba, Persea Gratissima (Avocado) Oil, Stearic Acid, Saccharomyces Ferment, Cetearyl Alcohol, Dicaprylyl Ether, Propanediol, Caprylic/Capric Triglyceride, Hydroxypropyl Starch Phosphate, Tetrahydrodiferuloylmethane, Tetrahydrodemethoxydiferuloylmethane, Tetrahydrobisdemethoxydiferuloylmethane, Punica Granatum Extract, Vaccinium Myrtillus Fruit/Leaf Extract, Citrus Grandis (Grapefruit) Fruit Extract, Olea Europaea (Olive) Leaf Extract, Camellia Sinensis Leaf Extract, Leuconostoc/Radish Root Ferment Filtrate, Glycyrrhiza Glabra (Licorice) Root Extract, Vitis Vinifera (Grape) Seed Extract, Mica, Polysorbate 60, Bisabolol, Sucrose Stearate, Xanthan Gum, Silica, Phospholipids, Ascorbyl Palmitate, Beta-Carotene, Retinyl Palmitate, Tocopheryl Acetate, Lactic Acid, Potassium Sorbate, Sodium Benzoate.

## TTC fx330 TIGHTENING EYE SERUM

**99.29% All-Natural**

**SIZE:** 15ml & pH 4.3      **SRP:**

**WHAT?** A very light, gel-based serum designed to reduce puffiness and darkness found around the delicate eye area and at the same time instantly tightening, hydrating and cooling. Rich antioxidant blend including superoxide dismutase.

**WHEN?** A.M & P.M. can be used both day or night.

**HOW?** Take only 1 pump onto your ring finger, then blend this between your 2 ring fingers – this is enough for both eyes. Apply product following the eye socket bone, not over eye lid. Tap gently using ‘piano fingers’ to boost circulation and absorption. Keep tapping until dry to increase the tightening finish, do not massage in.

**WHO?** For all skin types, but especially those with puffiness, heavy eyes, bagginess and dark circles. As it is tightening, it will be great for those concerned with the lack of firmness around the eyes.

### ACTIVE INGREDIENTS

Key Features	Benefits
TTC – TRIPLE TURMERIC COMPLEX	3 different colorless turmeric actives, PLUS Green Tea, Grapeseed & Licorice in one ‘all-natural’ potent, POWERHOUSE ingredient. A dramatic antioxidant, anti-inflammatory. Anti-redness, skin whitening ability.
Rice Bran Protein and Glycine Soja (Soybean) Protein	An active ingredient that reduces the appearance of dark circles and puffiness around the eyes.
Pullulan	A unique vegetal polysaccharide. Has natural skin tightening and lifting qualities for both an immediate benefit and also will provide a long-term effect by stimulating and strengthening the collagen fibres in the skin’s connective tissue. Tightening and lifting.
Hydrolyzed Egg (Hydrolyzed Albumen)	Egg white proteins that act as skin conditioning and tightening agents to help moisturize and enhance skin texture and feel. Adds an instant tightening feel on the skin upon application.
Gotu Kola Extract (Centella Asiatica Extract)	An ancient healing plant used in the modern science of preventing skin aging. Gotu Kola is rich in amino acids, beta carotene, fatty acids, and numerous potent phytochemicals. Helps to improve circulation, intensely hydrate as well as improving the synthesis of collagen and skin tissue
Superoxide Dismutase	Excellent enzyme antioxidant for superior skin protection and correction.

**USelling Tip!** Due to the light, gel texture and tightening benefits, keep this in the fridge and apply cold. It will act immediately to give instant gratification for tightness and firmness. Perfect base to make-up too. Only ever tap and pat this into the skin to make it go tacky, then dries firm.

**Ingredients:** Water/Aqua/Eau, Saccharomyces Ferment, Hydroxypropyl Starch Phosphate, Glycerin, Propanediol, Cetearyl Alcohol, Caprylic/Capric Triglyceride, Hydrolyzed Albumen, Mica, Tetrahydrodiferuloylmethane, Tetrahydrodemethoxydiferuloylmethane, Tetrahydrobisdemethoxydiferuloylmethane, Glycyrrhiza Glabra (Licorice) Root Extract, Aloe Barbadensis Leaf Extract, Centella Asiatica Extract, Echinacea Purpurea Extract, Citrus Grandis (Grapefruit) Fruit Extract, Hydrolyzed Rice Protein, Pullulan, Leuconostoc/Radish Root Ferment Filtrate, Camellia Sinensis Leaf Extract, Vitis Vinifera (Grape) Seed Extract, Nannochloropsis Oculata Extract, Glycine Soja (Soybean) Protein, Silica, Xanthan Gum, Polysorbate 60, Stearic Acid, Superoxide Dismutase, Sodium Dextran Sulfate, Sodium Benzoate, Potassium Sorbate, Lactic Acid.
