

DERMAQUEST

SPOIL YOUR SKIN THIS SUMMER...

Summer Papaya Facial

Exceptionally exfoliating, sumptuously smoothing and beautifully brightening. Achieve a radiant glow this summer thanks to the power of papaya.

Don't delay – book today!

Summer Papaya Facial

Energise your skin and enjoy a naturally luminous, glowing complexion this summer. This luxurious treatment restores your skin on every level, banishing dull winter skin to reveal a replenished and revitalised complexion. Harnessing the power of papaya and many other skin nurturing ingredients, the Summer Papaya Facial provides exfoliation, healing, hydration and protection.

SUMMER PAPAYA FACIAL STEP-BY-STEP

Skin Preparation

Essential Daily Cleanser

Enjoy a hands-on deep cleansing process that will rid your skin of the congestion that has accumulated during lockdown.

Firming Enzyme Treatment Mask

This incredible mask will kickstart your facial treatment using Papaya and Pineapple enzymes to gently exfoliate and powerful peptides to lift and firm.

Skin Restoration

Lactic Acid Resurfacer

Indulge your skin with one of our hydration acids. Used by Cleopatra to retain her youthful complexion - your skin will be left feeling soothed and incredibly nourished.

Summer Papaya Mask

Let your skin reap all the benefits of this powerful papaya mask as it exfoliates, heals, and hydrates your complexion. Your skin will enjoy instant and long-term benefits.

Skin Perfection

Essential B5 Hydrating Serum

We'll quench your skin's thirst with this

deeply hydrating serum that provides long-lasting skin nourishment. Massaged into the skin to encourage improved circulation.

Stem Cell Rebuilding Complex

Promoting the production of collagen within the skin, this powerful rebuilding complex helps skin to look and feel soft and smooth. Fine lines and wrinkles are reduced, and skin is strengthened to look its very best.

Essential Moisturiser

This supercharged moisturiser is the perfect penultimate product for this facial treatment. And the best bit... It has a refreshing fruity smell deriving from the kiwi extract! Divine!

SheerZinc SPF30

Our SheerZinc Protector guards against harmful UVA/B rays and damaging blue light from electronic devices. With a natural tint, your skin will look and feel incredible.

Light up your Skin

LED Light Therapy

Add a cherry on top of this wonderfully luxurious treatment and finish your appointment with a 20-minute LED light therapy session for added anti-aging and skin health benefits.
