

Sweet Party Treatment

Introducing our new limited addition seasonal Sweet Party treatment for the winter months and party season. This treatment will give you an instant warm glow and healthy, hydrated looking skin for the cold months ahead.

NO PREP REQUIRED

Fitzpatrick Type: All

Treatment time: 30 mins

Benefits:

- Exceptionally exfoliating, skin smoothing and brightening
- Nutrient rich antioxidants fight free radical damage and reduce inflammation
- Protects from collagen and elastin breakdown

Glycolic Acid Resurfacer Level I - pH 3

Formulated with a unique blend of anti-ageing ingredients to retexture damaged skin. Glycolic Acid firms while, Lilac Plant Stem Cells protect skin from environmental pollution. This is an ideal treatment for those with thick, hyperkeratinized skin. Not recommended for sensitive skin.

Benefits:

Significantly increases cellular turnover

Evens skin tone and texture

Works to preserve skin cells through powerful antioxidants

Key Ingredients:

30% Glycolic Acid

Lactic Acid

Lilac Plant Stem Cell
(Syringa Vulgaris Leaf Cell Culture Extract)

Green Tea Leaf Extract (Camellia Sinensis)

Neutralising Solution

Using soothing plant extracts, our neutralising solution gently transitions the skin's pH to its proper acid mantle level. For use after a resurfacing treatment. Apply with 2x2 soft gauze.

Benefits:

Helps adjust your skin's pH

Contains plant extracts to soothe and nourish skin

Sodium Bicarbonate free

Key Ingredients:

Crithmum Maritimum Extract

Spiraea Ulmaria Extract

Centella Asiatica Extract

Green Tea Leaf Extract (Camellia Sinensis)

Winter Cranberry Mask

The most active of enzyme masks, Winter Cranberry Mask is perfect during the harsh winter months. It's brimming with antioxidants from organic berries, stimulating benefits of cinnamon and ginger, all working together to regenerate skin, quash lines and lift discoloration. Although, extremely exfoliating; this mask is ever so hydrating and nourishing to thicker more resilient skin types. However, it is not recommended for sensitive skin.

Benefits:

Exceptionally exfoliating, skin smoothing and brightening

Nutrient rich antioxidants fight free radial damage and reduce inflammation

Protects from collagen and elastin breakdown

Key Ingredients:

Cranberry & Blackberry fruit juice

Honey

Ginger

Cinnamon

Sweet Party Treatment

Level 2

NO PREP REQUIRED

Fitzpatrick Type: All

Treatment time: 30mins

Who is this for? This treatment is a great all-rounder and pick me up for thicker, more resilient skin types. Not suitable for those with sensitive skin. With instant brightening and plumping effects let your skin enjoy the antioxidant benefits from cranberries, blackberries, pomegranate and ginger root. Feel the festive warmth on the skin with cinnamon.

Benefits

- Exceptionally exfoliating, skin smoothing and brightening
- Nutrient rich antioxidants fight free radical damage and reduce inflammation
- Protects from collagen and elastin breakdown

Protocol

1st CLEANSE

Essential Daily Cleanser

(Apply a 10p-sized amount. Emulsify with warm water, massage into skin and rinse off.)

2nd CLEANSE

C Infusion Cleanser

(Apply a 10p-sized amount. Work into skin and rinse off.)

3

Prep & Prime

DermaPrime

(Saturate 2x2 rough gauze. Ensure that there is no dripping. Apply with a firm pressure evenly over face. Wait 1-2 minutes until solution dries.)

4

Exfoliate

Glycolic Acid Resurfacer Level I

(Using a 10p-sized amount saturate a 2x2 soft gauze and ensure that there is no dripping. Apply in a thin, even layer over face with NO PRESSURE. Leave on for up to 3 minutes.)

5

Neutralise

Neutralizing Solution

Remove resurfacer with a cool towel and apply **Neutralizing Solution** (Saturate a 2x2 soft gauze and apply liberally.)

6

Enhance

SkinBrite Solution

(Saturate a 2x2 rough gauze and ensure that there is no dripping. Apply in a thin, even layer over the face. Wait 1-2 minute or until solution dries.)

7

Mask

Winter Cranberry Mask

(Apply a 10p-sized amount in an even, thin layer with a fan brush. Let sit for up to 3 minutes. Remove with warm towel.)

8

Finish

Layer one pump each of:

HYDRATE - Essential B5 Hydrating Serum,
